

**ANNEX 3:** Results of the survey, collected from 12 participants in Bozen-Bolzano and 5 in Trento.

I felt comfortable during the conversation

I was familiar with the SDGs before I had the FBC

The conversation helped me to link the SDGs to me and my daily routines

The conversation was interesting

Whit how many people did you talk about SDGs since you had the Free bright Conversation?

How many peopole did you tell about the FBC?

The conversation made me feel like I personally had an impact on sustainable development

## Which SDGs do you personally feel most invested in?

## What will the future bring for you?

## With which gender do you most identify?

## How old are you?

## What is your academic grade?
