

**Supplement 2. STEM Ambassador 2018 participant feedback survey**

## STEM Ambassador Program Participant Feedback Form

*Venue:*

*Date:*

The scientist you met today is hoping to get honest feedback from you about your experiences today. You may choose to complete this form or not. If you decide to complete it, you may skip any questions you do not wish to answer. This form should take about 5 minutes to complete.

1) I think the scientist (**check only one**):

- Did not do a good job engaging with the audience
- Did an ok job engaging with the audience
- Did a good job engaging with the audience
- Did a very good job engaging with the audience

2) I think the scientist (**check only one**):

- Did not do a good job connecting with me
- Did an ok job connecting with me
- Did a good job connecting with me
- Did a very good job connecting with me

3) I think the scientist (**check all that apply**):

- Seemed to care that we have something in common (a hobby, experience, interest, value)
- Took an interest in my experience and opinions
- Cares about my community
- Is interested in learning from others
- None of the above

*Continued on the back*

4) After attending this presentation (**check only one**):

I am more interested in science

I am less interested in science

My interest in science has not changed

5) After attending this presentation (**check only one**):

I know more about this area of science research

I know less about this area of science research

My knowledge level has not changed

6) I read about science or visit science museums (**check only one**):

Never

Sometimes

Frequently

7) I have opportunities like this to interact with scientists about their science research (**check only one**):

Never

Sometimes

Frequently

8) What did you like best about the program/activity today?

9) What could the scientist do to improve the program/activity?

**Supplement 2. STEM Ambassador 2018 participant feedback survey**
